

Destiny Discover Library Catalogue App Instructions

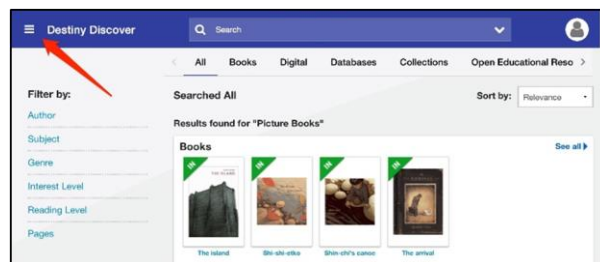

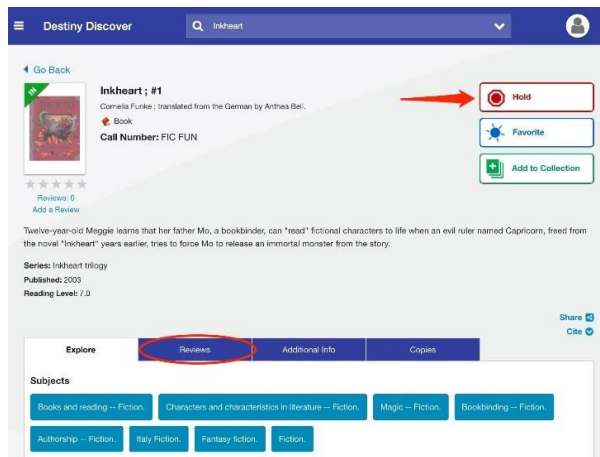

1. *Open the Destiny Discover app, search for your school and click log in.*

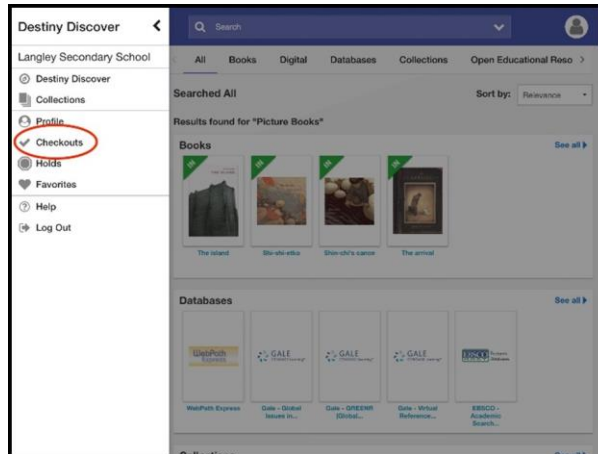

1. *Log in using your student number as your Username and your regular computer login password in the password field.*

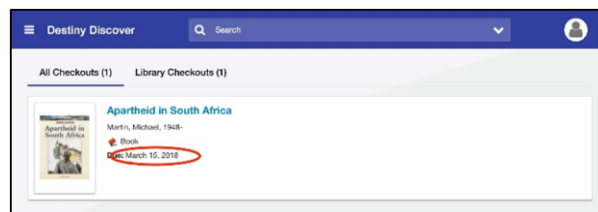

1. Once you are in your account, you can search the catalogue by title, author, subject, keyword or you can browse by topic.
2. Select the resource that interests you to view more details about it, to place a hold or to write or read a review.

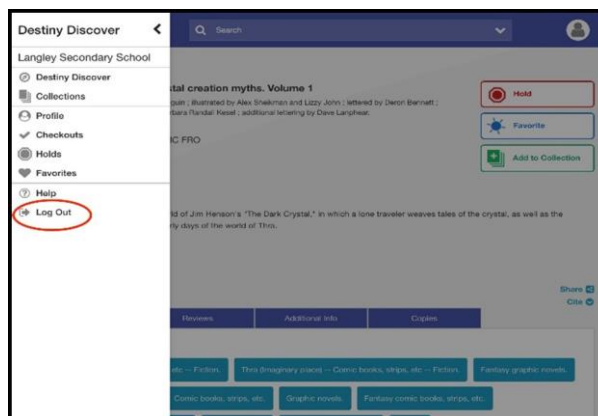

1. Click the three lines in the top left hand corner of the screen to see current checkouts, holds, or favorites.

1. Select "Checkouts" to see what you have out as well as the dates those books are due.

1. When you are finished, remember to LOG OUT so that the next user of the app doesn't see your personal account information.

If you have any problems or questions, don't ever hesitate to ask your Teacher-Librarian for help.
